

TERMS AND CONDITIONS OF SERVICE

DEFINITION

Mercatino del Libro Reggio Emilia is a used school textbook buying and selling service organized by the informal network #ViaCassoliUno, coordinated by The Spots APS.

The purpose of the service is to reduce the cost of school textbooks for families, promote the reuse of books, and support volunteering and community solidarity.

RULES

- 1) Service operation. Mercatino del Libro accepts used school textbooks from middle and high schools in the Province of Reggio Emilia on a consignment basis, provided that they are adopted for the 2026/2027 school year and meet the acceptance criteria established by the Mercatino.

The Mercatino reserves the right to refuse books that are damaged, incomplete, no longer adopted, or otherwise unsuitable for sale.

Accepted books are offered for sale under the conditions set out in these Terms and Conditions.

If a book is sold, its owner is entitled to receive the compensation established by the purchase rate.

If a book is not sold, its owner is entitled to collect it within the deadlines established by the Mercatino.

- 2) Sale and purchase rates. Sale and purchase rates are determined annually by the Mercatino and communicated before the beginning of each edition.

For the 2026 edition:

- Standard sale rate: 50% of the updated cover price;
- Purchase rate: 35% of the updated cover price.

Rates are always calculated based on the current edition's cover price of the book and not on the price printed on the specific copy delivered.

The rates remain unchanged throughout the annual edition.

The Mercatino may provide discounted conditions for specific categories of people when justified by social purposes.

For the 2026 edition, the sale rate is reduced to 35% of the updated cover price for:

- Individuals with an ISEE declaration below €12,000;
- Individuals who perform at least 50 hours of volunteer work for the service.

For organizational reasons, the Mercatino may change opening dates and hours, provided that such changes are communicated through its information channels.

4) Ownership of books. Books delivered to the Mercatino remain the property of the person who entrusted them to the service until they are sold, returned, or until the collection deadline established by these Terms and Conditions expires.

The Mercatino undertakes to:

- Pay the compensation due for sold books;
- Return unsold books;
- Reimburse books that are lost after being accepted into the service.

In the event of loss, reimbursement shall be equal to the purchase rate applicable to the book and shall constitute the sole amount owed by the Mercatino.

The Mercatino will provide reasonable advance notice regarding the procedures, dates and times for collecting payments, unsold books and any reimbursements.

All collections must be completed no later than 26/09/2026.

After this date:

- Unclaimed payments shall be deemed forfeited;
- Uncollected books shall be deemed abandoned by their owner;
- Any unclaimed reimbursements shall expire.

In such cases, the books and any remaining amounts shall become the exclusive property of the Mercatino del Libro, which may dispose of them freely and without any further obligation towards the owner.

The Mercatino is not responsible for defects, markings, wear, or any other damage already present at the time the book is delivered.

5) Acceptance of the rules. By delivering books to the Mercatino, the owner fully accepts these Terms and Conditions.
